Hi Quinn

Usually they give the step because it is automatic. The promotion is in but takes longer to process.

Hello Linda,

Just wanted to check in on the promotion to GS-11 to see if that was still in the works. I saw the step raise but I don't think I have seen anything in regards to the promotion. Please let me know if there is anything I can do on my end.

Thank you,
Quinn

Good Morning Linda,

I hope you are doing well this morning. Today I will be working on preparing for the treated seed petition presentation for Michal. I will also be working on setting up a meeting to discuss one of the second pass review I have done for my CWPB workshare. Additionally, just a reminder that I will be out of the office starting Thursday of this week. I hope you have a great day.

Best,
Quinn
